

District 5190 “Making a Difference” Newsletter

A New Rotary Club is Formed

I’ve just sent the Charter Application paperwork for our district’s newest club, the Rotary Club of Passport to Amador! With 34 members, including 5 transfers from the sponsoring Rotary Club of Plymouth-Foothills, this is exciting news for our district!

President Elizabeth Swason has been working on the organization of the new club for many months. The [Passport club model calls for fewer regular meetings](#), but still having the [opportunity to meet twice monthly](#), plus have [informal social gatherings](#), [regular quarterly business meetings](#). Members are encouraged to complete a specified number of service hours by participating in club projects, projects with other Rotary Clubs, and in the community. This allows [more flexibility](#) and less formal meetings than is typical, [fitting the busy lifestyles of working members](#), those who commute, and those with other demands on their time.

Members are encouraged to visit other clubs, and are encouraged to transfer to a more traditional club as their schedules and interests permit. The new club will be [headquartered in Amador County](#), as the name suggests, and is the second club in the district using the “passport” model.

Welcome to [Passport to Amador Club](#), the **58th club in District 5190!**

We also will [celebrate our clubs’ successes later this month](#) as we hold our annual **District Conference in Reno on May 18-20**. We look forward to this gathering bringing Rotarians and families from our far-flung district together for [inspiration, fellowship and fun](#). We look forward to seeing you there.

DG Doug

ROTARY MEANS BUSINESS

Please join the Rotary Club of Sparks and Great Basin Brewery's Taps & Tanks for networking and a delicious spread! This event is open to all Rotarians and those interested in Rotary. It's a fun way to make business connections with those you know and trust. Please forward this invitation to fellow Rotarians.

Rotary Means Business encourages Rotarians to support the success of their fellow Rotarians by doing business with them, and by referring others to them. Please join us for Reno/Sparks *Rotary Means Business* mixer.

Please register online at RMBReno.eventbrite.com

Questions? Contact Courtney Pino at cpino@assuredpc.com or 530.409.1975

"If any one tells you that it is reprehensible to make a dollar or two for the wife and babies from club associates in straightforward business transactions, tell that person that some foreign substance has gotten into his carburetor"

- Paul P. Harris, January 1911

Earth Day in Yerington

With the Rotary Interact Club

Earth Day was warm and sunny when six Yerington Interact students joined Rotarians to plant three trees at Mountain View Park. The Rotary Club has planted trees around the perimeter of the Park over the past few years. Three trees were planted last August to kick off RI President Riseley's tree planting initiative. Earth Day was the first joint Rotary Club/Interact tree planting project.

When the trees were planted, the students named the trees. Mountain View Park now hosts Shari the Cherry, Pete the Pear, and Ali the Apple trees, all donated by TrueValue Hardware. Outgoing Interact Advisor, Jessica Angle, suggested the students would enjoy returning to the park to monitor the growth. The students agreed that doing the work themselves helps them

want to return to the park and see how the trees progress.

Four of the students are seniors this year. They have a variety of plans for their immediate futures. Chase Thompson plans to study pre-nursing at UNR in the fall. Liz Moreda, plans to study Molecular Biology and Chemistry at UNR in the fall. She plans to become a Forensic Scientist. Megan Tiscareno is going to TMCC in the fall, her major is, so far, undeclared. She's keeping her options open. Hannah Raizenstein will be studying Psychology and/or Education at Biola University in Los Angeles this fall. Most of the seniors have been in Interact for the past four years and like the community based projects.

Two students will be returning to high school in the fall and continue with Interact. Aureli Guerrero, a Freshman, really enjoyed the tree planting project. She hopes to work with Interact on more community projects next year and to recruit more students. James Rand will be a senior next year. He plans to continue with Interact and maybe work on the refurbishment of the old Yerington Drive-In next year.

All of the students said their favorite project was the delivery of stockings for the Seniors housed at Mason Valley Residence. They enjoyed seeing the Seniors faces light up when they brought the stockings filled with gifts. The students enjoyed visiting with the Seniors. James' grandmother lives at the Residence, so he particularly enjoyed visiting with her and the other residents he's come to know.

Planting trees was a nice part of the morning. Getting to know some wonderful young people was a special part of the morning. The Interact Club says goodbye to Jessica Angle, Interact Advisor. She is leaving the Club to focus on her family. She is chasing around four boys in sports! Rotary thanks her for her service to the Interact Club.

Interact welcomes Cher Giomi as Advisor. Cher is a third generation Rotarian who is very interested in youth. She has two little girls and is the owner of Giomi Ace Hardware. The Rotary Club is pleased that Cher will be working with our youth.

Submitted by Yerington Rotary Club President Lynda Boody

I am the coordinator for our local "fireside" event at **Sand Harbor** this summer. We gather on Friday evening, August 3, between 5:30 pm and start time of 7:30 for the musical "BEE HIVE." It is a tribute to the women's singing groups of the '50's and '60's. We sit as a group and have an exclusive gathering place beforehand. Attendees may bring their own food and beverages.

Prices are \$89 for premium seats (rows F/G) and \$49 for lower gallery (rows H-M). Parking is free for the show and parking spaces become available as day visitors leave the beach.

Rotarians from other clubs are welcome to join us.

We must confirm our reservation in May, so please respond directly to me as early as possible.

MY EXCHANGE EXPERIENCE IN BRAZIL

BY

MIRELLA ROBERTS

Sponsored by the Rotary Club of South Lake Tahoe

What are some of the main things you think about when you think of the country “Brazil”? For me, it was beaches, samba, and soccer. What I did not think about was tractors, farms, and horses. I think that when an exchange student finds out what country they will be going to, they expect the typical stereotypes for their host country.

I am currently in District 4760, Minas Gerais. It’s in the Central/Southern region of Brazil. After I got my city assignment, I had no idea what to expect. I live in a small farm town called Luz. The population is around 15,000 and it’s around three hours from the state’s capital, Belo Horizonte. I have done so many things that I never could have seen coming. For example, it’s completely normal for people to ride horses along the streets. I even rode in the back of a pickup truck to school for almost a month. One of the biggest things we are taught as exchange students is adaptability and keeping an open mind. I knew I could expect three things for certain: that the exchange was going to be difficult, change my life, and help me grow into a better person. With only two months left in my exchange, I can say that exchange was one of the hardest and best things I’ve ever done. I am not the same person that my friends and family said goodbye to. I’d be lying if I said I wasn’t scared to go home. I think Oscar Wild said it best, expect the unexpected.

I recently got the chance to go on an excursion to the south of Brazil. It was one of the best trips of my life. I even got to meet up with Brenna Bushrow, another exchange student from District 5190 and one of my really good friends. There is this word in Portuguese, “saudade,” it doesn’t really have a direct English translation. It is defined as a deep emotional state of nostalgic or profound melancholic longing for an absent something or someone. It is used very commonly here in Brazil but, after being on exchange, I know now the true meaning of longing for things that are far away. People always talk about how amazing it is to have friends all over the world, but my heart has been ripped apart and will never be completely whole again, I will never again feel at home in one place for I have many homes elsewhere and family spread across the globe.

DGE Tina was the keynote speaker at the second RYE Outbound Orientation. The following page has pictures from Mirella Roberts, a current outbound RYE to Brazil.

March 29, 2018

The long anticipated First Annual Rotary Area Community Awards Celebration was held Wednesday, March 28th. Winners were selected and announced in three different categories after all nominees were recognized. The winners are as follows:

Lowell Robinson Business of the Year – **SPD Markets**

Citizen of the Year – **David Jones**

Volunteer of the Year – **Marty Lombardi**

Above: David Jones

Above: Ben Painter from SPD Markets

The event included dinner and music and showcased Rotary in our community. All five local Rotary Clubs showcased their individual clubs' activities so non-Rotarians in attendance could gain a better understanding of the differences between the clubs. Nominees were selected based on their philanthropy, community support, and their volunteerism. The Rotary's 4-Way Test was also part of the criteria used to select the winners.

The Four-Way Test of the things we think, say and do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

**Above: (l-r) Area 4 Assistant Governor
Dennis Geare, Marty Lombardi**

For more information on Rotary, visit www.rotary.org. For information on our local clubs, please contact Mary Anne Davis at 530-263-0420 or Anita Daniels at adaniels5190@gmail.com.

MAKING A DIFFERENCE BADGE OF MERIT

This month's "Making a Difference

Badge of Merit" goes to The Interact Club of Bishop High School. They just contributed \$3,000 to Polio Plus from their fundraising efforts! That's a huge amount for an Interact Club! Pictured at right is Lily McGrale who is President of Bishop High Interact Club.

Thank you, Bishop High School Interact Club and President Lily McGrale! WELL DONE, Lily and Interact members!
