Vol IV. No 8

“Alone we can do so little; together, we can do so much”

Helen Keller

It is with great fanfare and appreciation that I announce that Barbara Long has stepped up to take on the post of club secretary. This critical position ensures that the club runs smoothly and effectively. Working together with the club president, some would argue that it is really the club secretary who runs the club. I, for one, would agree. With Barbara’s attention to detail, well-rounded understanding of Rotary protocol, and her belief in the Rotary ideals, the transition from Tina (who will be missed) to Barbara will be smooth. We would appreciate your patience while Barbara learns the responsibilities in the weeks to come, especially since she did not have the luxury of district training during the time leading up to this current fiscal year.

With more fanfare, I am pleased to announce that Rene Davis and Dave Mason have agreed to co-chair the

Interact committee. I am thrilled that we have identified this year’s co-chairs just as the new school year begins. In the last couple of years, Ashley Carnicello and Jim Wilmarth have done an outstanding job ensuring that the youth in our community discover the power of Service Above Self. Rene and Dave will continue to empower these future leaders to make a difference in their own school and community.

Interested in serving on a club committee? There are other opportunities to participate in a committee -- share your enthusiasm, wisdom, energy, and creative ideas. Our goal is to build committees with two or more members to ensure that everyone has a voice and that no one member becomes overly burdened with a heavy work load.

What committee speaks to you? Let me know how you’d like to assist our club succeed and grow. What is your “why?” Do you want to be more involved, stay engaged, help the club reach our goals, mentor future leaders? You can make a difference! **Teamwork makes the dream work!**
