

# ROTARY TAILINGS

Rotary Club of Jackson

January 15, 2019

Vol V. No 24

## Art's APB

The first meeting of 2019 got started with a club assembly. P.P. Pat Crew volunteered to Chair the meeting giving me the opportunity to listen to your comments. Thank you Patrick!

Our club, not unlike other Rotary Clubs around the world, is finding it difficult to catch up to the rapid social changes that are evolving in the concept of "community service." In discussing this issue with some of our senior members, we miss the way things were but realize if we are to survive as a club, we must change. The big question is, how do we reinvent ourselves to attract younger adults to carry on with the goals and objectives of Rotary?

We did not discover a magic solution to instantly answer the question. The positive note is that we mostly agree that we must change to stay vibrant and active in Rotary. Perhaps one of those steps to change is to chart a course that will steer the club in a positive direction to achieve that goal. We may have that opportunity on February 23, during our scheduled Visioning Training. Perhaps there we can arrange the bullet points to chart our way into the changing world.

One item (of many) did come up that I would like to get some feedback on. It was briefly mentioned that we could use more "social gatherings" where issues and ideas could be discussed outside the formality of a "meeting." Let's call it a "Social." OK, but what constitutes such an event? We are not small enough to meet at someone's home, at least in winter months, so where do we meet? How often? I welcome your input. Send me an email, a phone call or even a brief conversation before a meeting and tell me how you envision a Social.

The annual Rotary Trivia Challenge that will be conducted on March 9<sup>th</sup>, is shifting into high gear. It is time for each of us to participate in signing up teams and supporting the 4<sup>th</sup> year of the Challenge. Last year's event was a sellout. To repeat that success, we will need to have 30, 4 person teams signed up by March 1<sup>st</sup>. You can help by putting together your own team, sponsor another team or otherwise contribute your time, talent and treasure to this fund raising event for our RYLA program. This year we will send 6 high school juniors to camp this June. To fully fund the 2019 RYLA program will cost the club \$4,800. With your help and participation we can make this happen. All the information and registration forms can be found on the home page of our website, jacksonrotary.org. John Sullivan has placed a copy of the Trivia Challenge flyer in the center of the page with a "click here" note to get the downloadable forms. Please help make this another success.

**DON'T FORGET, WE ARE BACK AT TERESA'S THIS WEEK.** Hope to see you all there.
