Art's APB

Before I start the usual dialogue, I have an important announcement to make.

BOARD MEETING CHANGE

The February Board meeting is being moved from February 12, to February 5. This is to accommodate the Valentines Dinner meeting on the February 12. The logistics of decorating the dining room and transporting guests to the dinner would create a distraction to completing the agenda. If you were planning to attend the February 12 Board meeting, please note in your calendar that **the February Board meeting will be on February 5, 4:30 pm, at Teresa's.**

RON FLOYD UPDATE

I visited Ron Floyd at the U.C. Davis Med Center on Wednesday and delivered the card that was signed by those present at last week's meeting. We met in a basement hallway as he was returning to his room after his morning physical therapy session. I'm not sure what I was expecting, but I am amazed at how positive he was and that he greeted me with the same strong handshake that he's given every week since becoming a Rotarian. He shared some dark humor regarding his stay and care and we were able to share some laughter together. I'm sure he will be with returning to us with a smile when given the greenlight by his doctors.

VALENTINES DINNER

The committee for the Valentines Dinner meeting on February 12, has set the menu with Teresa's. Sign-ups will be available at this Tuesday's meeting. Please make your reservations and be prepared to prepay before the dinner.

FOUNDATION DINNER

Reservations for the February 22, Area 7 Foundation Dinner have started. Cost is \$40 per person. Please sign up and pay in advance. Our Foundation Chair, Patrick Crew, has arranged for an entertaining program and it will be well worth your attendance.

TRIVIA CHALLENGE

The Rotary Trivia Challenge 2019 is set for March 9th. This our fourth year, hopefully we can sell out the 30 team tables again this year. As always, this year's benefactor's will our Rotary Youth Leadership Awareness (RYLA) program. We will be sending 6 high school juniors to Camp RYLA in June. The success of the Trivia

(Continued on Page 2)

Challenge is based on our personal involvement. Registration forms and general information is available [HERE](#) or online on our home page at jacksonrotary.org. They are also available at our meetings. Marv Hampton has put together some interesting questions for this year's contest.

WEBSITE UPDATE

Speaking of our web site, you should pay a visit to see the changes that PDG John Sullivan has been working on. He has cleaned it up by creating a much needed update, new functions and a general refreshing. Take a look at the photo albums and youth programs. Also, there is now a tab that takes you to a listing of member websites. Please check to make sure yours is listed. If not, notify John. Thank You John!

THIS WEEK'S SPEAKER

Chris Kalton, Executive Director of the Amador Senior Center, will be our guest speaker this week. Chris has made some positive changes at the Center since becoming the E.D. I'm looking forward to his presentation.

See you Tuesday!

YIRS,
Art

MEETING HIGHLIGHTS

Anne Platt was happy that she is now officially retired. She hopes to be able to attend more Club meetings now.

Art was happy because very shortly he will have a new great granddaughter. Labor is being induced.

PP Dirk announced we still have 30 Super Bowl squares. See him to select a winning square.

Sign-ups are available for the Valentines Dinner on February 12. Please sign up. Dinner will be \$60 per couple and will feature a shared filet mignon and a lobster tail. Single's cost is \$30 with a choice of either the filet or the lobster. It will be a sponsored beverage night compliments of Stan and Pat.

The Foundation Dinner will be on February 22 at the American Legion. Cost is \$40 per person with the meal provided by Highway House.

It was announced that Keith Sweet will be honored with a Margaret Dalton Golden Acorn Award on March 1.

Our Speaker was Kristy Moore from the Amador Tuolumne Community Action Agency. The agency started as part of President Johnson's anti-poverty program. Since it receives government funding there are a lot of restrictions on how money can be spent as well as reporting requirements. The overall goal is "Helping people out of Poverty." Shortly there will be a count of homeless in both counties at a single point in time. This is very important since much of the funding will be based on this count. ATCAA also receives funds from private donations.

The meeting ended with our traditional drawings:

Art Long's number was the first called so he will get a free dinner and is responsible for a joke. Coast Guard?

John Sullivan was ecstatic when his number was called next, giving him the opportunity to win half of \$657. He was despondent when he earned the eternal gratitude of the Club after drawing a white marble.
