Nora Stevens Dale Theiss

NO Board meeting on Dec. 10. It will be rescheduled.

December 3rd – REGL Students

Rotary Eighth Grade Leadership attendees Riley Aldridge and Isabel Bodenstein spoke to us about their experience and action plans from their time at REGL. These eager students shared that they learned to listen and to always do their best and not care what others thought. They have chosen a GRATITUDE project for Yerington Intermediate School. This project will be focused on showing gratitude for 3 teachers each month. They will draw names and present these teachers with a small gift and students will write them letters. Riley and Isabel asked Rotary to help them fund the gifts for the teachers. They will come back to us with a dollar request. They wish to start as soon as possible so we will hear from them soon.

These young women also recognized Steve Singer with a special thank you and Steve was presented with his third Paul Harris.

December 10th meeting –

Peggy Bitler has arranged for a tour of a hemp processing plant at 5:30 PM. Plant is the old dairy behind McCloud storage on McCloud street. Our program will be all about Hemp at 7pm with the Lions Club joining us at Dini's.

December 17th meeting – 5:30 start time

Senior Dinner and Spouse night. Come enjoy fellowship with Seniors from our community and our spouses.

Foundation Audit Committee –

There will be an annual audit of the foundation in January or February. The committee will be notified of the time and place of this meeting.
