March 9th meeting –

Kathie Mann shared an exciting communication from former Interact member and Malcolm Roundtree recipient Emily Bobrick. Emily is a third-year engineering student at Colorado State University and is participating in RAMS without Borders program. They have an international water project in the works in El Salvador. A local Rotary Club is working with these engineering students and Emily is seeking matching club dollars for this project. We will be receiving more info so our club can see how we can participate in this international project.

Kay Hardesty, representing PEO (Philanthropic Educational Organization) was our guest speaker. PEO is sharing our May 1st event with us. Kay is from Chapter O of PEO. PEO founded as a sorority in 1948 at Iowa Wesleyan University. There are chapters in the USA and Canada. It is a sisterhood that celebrates women by providing scholarship, grants and loans. Kay described the 5 different forms of assistance for women to continue their education. It is exciting to be partnering in our fundraising with this organization.

Rotarians at Work Day April 24th -road clean up. Watch for more info for participation.

Board Notes:

Lots of work to do to prepare for our May 1st event. Will have tickets to sell soon.

Board approved community service dollars for City of Yerington landscaping.
