### November 26<sup>th</sup> Meeting –

A meeting of fellowship and thanksgiving gratitude. Many guests were in attendance in anticipation of the delightful entertainment. A wonderful group of young men invited by Lucy Rechel to entertain us with music many of us knew and more recent songs. Alex and Memo Perez-Huerta were on acoustic guitar and Darwin Snyder played percussion on a beat box. Some members sang along with nostalgia. We adjourned feeling thankful for our friends and family.

### December 3<sup>rd</sup> – RGL Students

We will hear from students who attended RGL. Please invite potential members and guests to come hear and see what Rotary is about in our community.

### December 10<sup>th</sup> meeting –

Peggy Bitler has arranged for a tour of a hemp processing plant before our meeting and then the program will be on hemp. More info coming.

### Yerington Parade of Lights – December 14<sup>th</sup>

No one has yet volunteered to organize a float for this parade of the Chamber of Commerce. Matt Bowman has volunteered his trailer which we have used before but is unable to drive it. Deadline for entries is early next week. Please contact Kathie Mann if you would like to see a float in the parade. She will be able to point you to who has lights and generator etc. to decorate.
