Rotarian November Birthdays

Judy Price – November 6

If your birthday was missed please update club runner or let Nora or Ann know and we can update for you. Thanks

November 5th – Student of the Month

Student of the Month meetings are inspirational. We have the opportunity to meet students in our community who are role models in their schools and have exciting plans for the future.

Rite of Passage had three inspiring students. Their hard work has paid off and they are graduating and have career plans that are in service to others. Cheryl West their teacher and mentor had many accolades for them.

Our four YHS students were equally inspiring. **Jacob Olmstead** is a peer tutor and close to master craftsman in the ‘shop’ class. **Candace Triblett** is active in FFA, wrestling and dance team. She will be joining the National Guard at graduation which will pay for her nursing education. **Lexie** another student leader with Link Crew demonstrates dependability and accountability. Her teacher Ms. Farina admires her critical thinking skills, “Lexie always backs up herself with facts”. **Orlando** was recognized for his consistency throughout his high school years, showing focused attention to his studies. He is also appreciated for his soccer skills.

We were pleased to have Mr. Desoto Dixon YHS principal present to witness our recognition of these students. Parents, mentors and others in the lives of these students were acknowledged for standing beside them.

New member Pam Byars was inducted. Candy LoBoe was her sponsor. Pam and her husband Jack have retired to Yerington. Pam had successful specialty toy stores in the Bay area. She credits her business success to her golden rule: You must be stopped in your tracks when you walk through her door. Pam has already been active with her club and we welcome her officially.
