

FLEA MARKET VENDOR GUIDE

This year the Flea Market is on a **First Come-First Serve** Basis. The space numbers will be on the pavement late Friday night. (You may reserve spaces for subsequent months by paying, on site, the organizing Rotarian.)

Please plan to arrive around 6:00 A. M. to set up before the “buyers” arrive.

Arriving later than 7:00 creates commotion as we try to begin the sale at 8:00

Parking for trailers is available at back of El Dorado Saving Bank and any of the other parking lots. We use the front parking area for the Flea Market. **Parking along Pony Express directly in front of the Flea Market prevents buyers from ideal access to the sale. We highly suggest that you not block vision and easy parking for customers by parking vendor vehicles on Pony Express Trail.**

Plan to stay at least until 2:00. Driving cars to remove your materials and items creates a hazard for the customers and also disrupts the sale. Plan to take any trash from your sale home with you. Be sure to bring umbrellas as there is NO shade.

El Dorado Savings has demonstrated community support by allowing the use of the parking lot for this Flea Market. All participants need to allow access to the ATM machines at all times.

Do Not park in 'ATM PARKING ONLY SPACES”

If buyers need to pick up large items this must be done at the end of the sale. If this is not acceptable, you (the vendor) must remove your sold merchandise to the area outside of the parking lot. We need to respect these requests.

Our failure to keep the access readily available to customers of El Dorado Savings will result in the closing of our Flea Market.

Call 530-903-8039 for any questions.

Thank you for supporting this Rotary project. Good luck with your sale.
