

Group Study Exchange (GSE)

Spring 2012 District 5190 to
District 4310

Carly Nilson and Lyndsay Bryant

What is GSE?

The Rotary Foundation's Group Study Exchange (GSE) program is a unique cultural and vocational exchange opportunity for business people and professionals between the ages of 25 and 40 who are in the early stages of their careers. The program provided travel grants for our team to exchange visits in paired areas of different countries. For one month we experienced our host country's culture and institutions, observed how their vocations are practiced abroad, developed personal and professional relationships, and exchanged ideas.
