Dear Rotary of South Lake Tahoe,

Bijou Community School's Two-Way Immersion program is very appreciative of the generous donation of books. As our TWI program expands our classrooms are in constant need of books for our program. Ensuring that the TWI students are literate in Spanish and English is one of the goals of the program. This goal cannot be reached without providing the necessary reading material for students. Thanks so very much for the donation to make this goal a reality.

Sincerely,

A handwritten signature in cursive script that reads "Karen Gillis-Tinlin".
