- \* **MINIMUM TEAM = Five (5) ROTARIAN Racers.** If your club can't muster a full team - come and race together to compete for individual prizes and enjoy the Rotary Fellowship! You may have as many racers on one team as you like. Your team scores are based on the top 5 racer's times only.
- \* Race Course - Each racer takes two runs. (one on each course)
- \* The better of the two times for each racer becomes the *Racer's Official Scratch Time.*
- \* Age is used to handicap individual scores resulting in an *Official Handicap Time*.
- \* The best five *Official Times* for each team are averaged to yield the *Team's Scratch and Handicap Times.*
- \* Clubs may run as many skiers as they like as long as there are a minimum of 5 racers per team to qualify for team awards.
- \* Racers are eligible for best scratch and handicap awards for individual racers. Guest racers & exchange students for scratch time.
- \* Teams are eligible for best handicap awards (Top five members)
- \* **All Racers must be bonafide ROTARIAN** although Rotarians from other clubs may race with your club's team.
- \* Each racer *must* be at top of course and race with *his/her team.* The second run is not mandatory and is in reverse order from the first.
- \* Falls (crash and/or lose a ski) will disqualify you *only* for that run - best of the two runs is used for *Racer's Time*
- \* **Bib numbers must match with racer's name or racer will be disqualified.** Team captains are responsible for correct bib assignment.
- \* No new registration or substitutions on race day.
