

**The Rotary Club of Reno Central – Blue Badge Checklist**

Welcome! Your ‘Red Badge’ identifies you as a new Rotarian and recent inductee to the club. We are honored to have you become part of the world-wide Rotary family.

To help you quickly acclimate to our club, please accomplish the assigned tasks at your earliest opportunity and obtain initials of an appropriate Rotarian for each item as it’s completed. The goal is to attain the coveted “Blue Badge” status within 2-3 months of your membership induction.
