

## What is Rotary?

Rotary is essentially a grass roots organization, with most of its service efforts being carried out at the club level. The district structure is designed to support the clubs and help them provide more service in their local communities and abroad.

Rotary clubs are nonreligious, nonpolitical, and open to every race, culture, and creed. Members represent a cross-section of local business, professional, and community leaders.

Belonging to a Rotary club gives men and women an enjoyable and organized way to make a contribution to their community.

Rotary members meet weekly to plan club, community, and international service activities. Members also enhance their professional network, career development, and cross-cultural understanding.

## The Four-Way Test

Followed by Rotarians worldwide in their personal, business and professional lives, The Four-Way Test was created in 1932. It has since been translated into more than 100 languages and is used by organizations and individuals throughout the world.

### Of the things we think, say or do

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?
