

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First:** The development of acquaintance as an opportunity for service;
- Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- Fourth:** The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

Changing the World Through Annual Giving

Annual contributions to The Rotary Foundation enable Rotarians to implement life-changing projects that empower youth, enhance health, promote peace and advance communities locally and internationally. In 1996-97, as governor of District 5340, Wayne Cusick recognized the value of promoting annual gifts of \$1,000 or more and created a district recognition program he called the Paul Harris Society. The idea took off and soon districts around the world were providing Paul Harris Society recognition and seeing their Annual Fund contributions grow.

PDG Cusick continues to promote the Paul Harris Society as an important way to sustain the financial strength of The Rotary Foundation. In fact, in 2011-12, Paul Harris Society level gifts to the Annual Fund provided \$39.1 of the \$110.7 million donated. The Paul Harris Society is so successful that in January 2013 the Foundation's Trustees adopted it as an official Rotary recognition program.

"No one can tell us what Rotary will be tomorrow, but one thing is certain: What Rotary will be tomorrow depends upon what we Rotarians do today."

Rotary Youth Leadership Awards

Rotary Youth Leadership Awards (RYLA) is Rotary's leadership training program for young people. RYLA participants can be ages 14-30, but most clubs and districts choose to focus on a narrower age range, such as 14-18 or 19-30.

RYLA emphasizes leadership, citizenship, and personal growth, and aims to:

- Demonstrate Rotary's respect and concern for youth**
- Provide an effective training experience for selected youth and potential leaders**
- Encourage leadership of youth by youth**
- Recognize publicly young people who are rendering service to their communities.**

Though each RYLA event is tailored to participants' ages and interests, the RI Board recommends a core curriculum that covers the following topics:

- Fundamentals of leadership
- Ethics of positive leadership
- Importance of communication skills in effective leadership
- Problem solving and conflict management
- What Rotary is and what it does for the community
- Building self-confidence and self-esteem
- Elements of community and global citizenship
