

## THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First:** The development of acquaintance as an opportunity for service;

**Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**Fourth:** The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

## January is Rotary Awareness Month

At the RI Assembly in San Diego this week, Gary Huang, incoming president of RI for 2014-2015, presented his theme for next year: Light Up Rotary.

“My friends, I believe that the job of Rotary International is very simple; and that is helping every Rotary Club to be the best it can be. And the job of an RI president is also simple: ensuring that RI is strong, efficient, effective, and dedicated to supporting Rotarians — in every way that they serve.

An ancient Chinese scholar, Confucius, said “It is better to light up a single candle than to sit and curse the darkness.” Rotarians have always believed this to be true. When we are confronted by the world’s problems, we are not paralyzed by despair, we are called to action.

I’ve written a book with similar meaning, titled Find Solutions, Not Excuses. That’s exactly what I shall do for you and we shall do for our communities. I believe that the best days of Rotary are yet to come — and that all of us will soon be prouder than ever, of a Rotary that is larger, more active, and better known than ever before — a Rotary that touches more lives, and makes the world better, every single day. And I look forward to serving all of you with all my heart in the 2014-15 Rotary year to brighten up our world together.”

Gary Huang
