

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

Message From The President

“Though our work may be menial, though our contributions may be small, we can perform it with dignity and offer it with unselfishness. Our talents may not be great, but we can use them to bless the lives of others.... The goodness of the world in which we live is the accumulated goodness of many small and seemingly inconsequential acts.”
--Gordon B. Hinckley

Welcome to the first meeting of the new year! I know we will continue to do good works and enrich the lives of others.
Patty

New For Rotary in 2013-2014

Rotarians will be allowed to form satellite clubs, whose members meet at a different time and location from their parent clubs. The change, approved by the Council on Legislation in April, is intended to make it easier for members to develop the core for a new club.

Districts will be able to form an unlimited number of e-clubs. The Council removed a limit of two e-clubs per district. The change is designed to bring in new members and appeal to young professionals, who may be less able to meet in person weekly.

The name of Rotary's fifth Avenue of Service will change from "New Generations Service" to "Youth Service." This change was also approved by the Council. In 2010, this avenue of service joined Club Service, Vocational Service, Community Service, and International Service.

The dues Rotary clubs pay Rotary International will increase US\$1 to \$53 per member.
A redesigned Rotary website will be launched in late summer.

New grants procedure: There will be three types of grants-- global, district, and packaged. You can learn about all three types, and get more details about the application process, on Rotary's grant microsite . Our own district 5190 is now using the Clubrunner Grants Module for District Service Grant applications.

District 5190 Training Seminars
