

## THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First:** The development of acquaintance as an opportunity for service;

**Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**Fourth:** The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

## March is Rotary Literacy Month

897 million people around the world are illiterate and 57 million children, of the primary school age, are not in school.

Rotary's hope is to reaffirm its commitment throughout the month and meet the basic education and literacy needs locally and abroad.

Karen Grosz reads a selection from Winnie the Pooh to a group of students at Patty Gunderson's kindergarten class.

## Membership Moment

Andy McInnes (Sparks Rotary) leads a Fireside Chat for members of the Susanville Sunrise Rotary. Members left informed and energized. Thanks, Andy for the presentation!

An effective orientation to Rotary begins as soon as a qualified prospective member is identified. Learning the expectations and benefits of Rotary membership early in the process helps prospective members make well-informed decisions to accept the formal invitation, when it is extended. Clubs have a responsibility to provide an in-depth informational program that teaches new members about Rotary, engages them in club activities, and welcomes them to the organization. This formal orientation plays a vital role in helping new members internalize what it means to be a Rotarian.

Tim Watts gave a report on the uplifting, informative, and worthwhile Fireside Chat with Andy McInnes of the Rotary Club of Sparks. Tim reported that even the most senior members of the Sunrise club learned something they didn't previously know about Rotary.
