

## THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First:** The development of acquaintance as an opportunity for service;
- Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- Fourth:** The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

## March is Rotary Literacy Month

For most of us, reading and writing are as natural as breathing. But nearly 800 million adults worldwide lack the literacy skills needed to complete a job application, understand a child's report card, or read a prescription. Rotary International and the International Reading Association know that literacy is an essential ingredient for reducing poverty, improving health, encouraging community and economic development, and promoting peace. Since 2002, RI and the IRA have combined their resources and skills to advance literacy in communities worldwide by

- Providing books and educational materials
- Building and supporting schools
- Mentoring students
- Training teachers
- Establishing literacy programs for children and adults

Project ideas:

To help us find a literacy project that is right for our club and our community, here are some examples of successful Rotary club and IRA literacy projects. The projects have been divided among several broad categories:

Improve access to books and learning materials

- Book donations
- Dictionary donations
- Library support

Support schools and teachers

- Adopt a school
- Teacher training

Enhance classroom learning

- Early childhood literacy
- Adult literacy
- Student mentoring
- Concentrated language encounter (CLE)

Promote community development

- Improve community health
- Address special needs
