

## THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First:** The development of acquaintance as an opportunity for service;

**Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**Fourth:** The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

## Rotarians At Work Day

For Rotarians at Work Day, the Susanville Sunrise Rotary Club delivered 132 pounds of food to the Salvation Army and restocked the pantry. Jennifer West's students from Long Valley Charter School helped by collecting food donations from Susanville Supermarket. The Sunrise Rotary Club also donated \$581 to the Salvation Army to help buy more food.

### **PAST HISTORY OF ROTARIANS AT WORK DAY**

Through the vision of Past District Governor Bob Watson from District 5340, every Rotarian in the world has the opportunity to renew our commitment to the idea of service above self by participating in Rotarians At Work Day. April 29, 2006, each of the 60 clubs within his District came forward and identified one or more projects that they performed. Indeed, several clubs chose two or more projects because of the diversity of their members. Many clubs partnered with other clubs including those in Mexico, and nearly all of the clubs integrated other groups to assist such as Rotaract Clubs, Interact Clubs and the Family of Rotary. Rotarians planted trees, performed much needed maintenance to our communities' highways, senior centers, a variety of public buildings such as schools, parks and even the facility which hosts RYLA each year. In Mexico Rotarians did maintenance at a medical mission, built a new school kitchen and computer lab, undertook a literacy project, implemented various public health programs including building prostheses for the needy. Some clubs hosted those less fortunate and provided clothes, books and meals. All in one day! The vision of PDG Bob is infectious. Thanks to the leadership of PDG Fernando Favela, Rotarians south of the border in District 4100 performed their own Rotarios Trabajando on April 29th. In addition, District 5340's Group Study Exchange teams to East and West Africa participated in service projects that day on the other side of the world. One Rotarian was in Iraq that day and donned a Rotarian At Work shirt to clear land mines.
