

## THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First:** The development of acquaintance as an opportunity for service;

**Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**Fourth:** The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

“**Paul Harris**  
Rotary Founder

*“I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Kaleidoscopic changes are taking place, many of them without our will. Even to hang on to the fringe of this fast-changing world is about all most of us can do. Rotary simply must continue to pioneer or be left in the rear of progress.”*
