

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First:** The development of acquaintance as an opportunity for service;
- Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- Fourth:** The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

District 5190 Vocational Projects

Vocational Service Projects are a vehicle in which Rotarians can demonstrate service to others through their professions and put into practice promoting high ethical standards. Rotarians, as business and community leaders, share their time, skills and expertise through their vocations and inspire others in the process. Below is a partial list of vocational service projects in District 5190 that highlight our Rotarians in motion promoting Vocational Services in their communities:

4-Way Test Program: Facilitate ethical dilemma scenarios with Rotary Club using the 4-way test.

Business Person of the Year: Many Rotary Clubs honor business and professional men and women. This program is unique in its partnership with the Chamber of Commerce

Rotary Business Academy Program: The Rotary Business Academy is a business simulation open to all high school students.

Career Speakers Bureau for at-risk students: Build a team of Rotarian's to present career talks to at risk students at Local High Schools. This will ultimately lead to Rotarian's mentoring students and possible follow-up job shadow opportunities
