

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

SEPTEMBER NEW GENERATIONS MONTH

Keeping them connected

Every year, thousands of young people strengthen their leadership skills, serve their communities, build friendships, and develop a global perspective through Interact, Rotaract, Rotary Youth Exchange, New Generations Service Exchange, Rotary Youth Leadership Awards, and Rotary Eighth Grade Leadership. Reaching out to these alumni, and participants of Rotary Foundation programs, by giving them the opportunity to share in service projects and activities is a great way to keep them connected to Rotary, and may well motivate them to become Rotary members.

Rotary Club of Susanville Sunrise representatives met with Lasen Historical Society members to announce our club's decision to finance the cost of a new roof for Roop's Fort.

LHS Superintendent Bill McCabe noted that the high school is committed to academic improvement, with Language Arts an area for improvement this year. He also believes a student-elected student trustee would provide an opportunity for students to experience academic governance by getting involved and expressing their opinions.

RYLA Alumni Zach Mah and Elizabeth Stalter shared their experiences from Camp Grizzly, saying it was a life-changing experience. Both said they learned to respect others, gained self-confidence, and met amazing people they can now network with. We look forward to working with them as Interact Club members this year.
