

## THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First:** The development of acquaintance as an opportunity for service;
- Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- Fourth:** The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

## September Is Youth Service Month

### Rotary Youth Exchange

The most powerful force in the promotion of international understanding and peace is exposure to different cultures. The world becomes a smaller, friendlier place when we learn that all people — regardless of nationality — desire the same basic things: a safe, comfortable environment that allows for a rich and satisfying life for our children and ourselves. Youth Exchange provides thousands of young people with the opportunity to meet people from other lands and to experience their cultures. This plants the seeds for a lifetime of international understanding.

It is standard practice for local Rotary districts and clubs to screen youth interested in the program by using detailed applications and interviews. This process helps ensure that only highly responsible and mature students are sent on an exchange. Generally, students are selected based on the following criteria:

- Scholastic record
- Linguistic ability
- Community involvement
- Potential as a cultural ambassador
- Age
