

## THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First:** The development of acquaintance as an opportunity for service;

**Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**Fourth:** The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

## September Is Youth Service Month

### Interact

Interact is Rotary International's service club for young people ages 12 to 18. Interact clubs are sponsored by individual Rotary clubs, which provide support and guidance, but they are self-governing and self-supporting.

Club membership varies greatly. Clubs can be large or small. They can draw from the student body of a single school or from two or more schools in the same community. Even home school groups or students can take part in "community based" Interact clubs.

The recent age change from 14 years of age to 12 years of age as the minimum opens the possibility for middle schools to have Interact clubs.

Each year, Interact clubs complete at least two community service projects, one of which furthers international understanding and goodwill. Through these efforts, Interactors develop a network of friendships with local and overseas clubs and learn the importance of:

- Developing leadership skills and personal integrity
- Demonstrating helpfulness and respect for others
- Understanding the value of individual responsibility and hard work
- Advancing international understanding and goodwill

District 5190 currently has 24 chartered Interact clubs.

For more information, contact District 5190 Interact Co-chair Ron Rehn at 775-813-7008.
