

## THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First:** The development of acquaintance as an opportunity for service;

**Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**Fourth:** The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

September 8 - Bill & Jeanne Muttera

## September Is Youth Service Month

### A Summary of our district's youth services:

**Rotaract** is a Rotary sponsored club for ages 18 to 30. Rotaractors are involved in community and international service projects, as well as professional development and leadership training, and are good partners in service with their sponsoring Rotary clubs. We have 4 Rotaract clubs in our District-college based Rotaract clubs at Great Basin Community College in Elko, Nevada, and in South Lake Tahoe at Lake Tahoe Community College, community based Rotaract clubs in Reno and in Nevada County.

**Interact** is a Rotary sponsored club for ages 12 to 18, typically at a high school or middle school, although it is not limited to a single school. We currently have 16 Interact clubs in our District. Interact clubs are also involved in community, campus and international service projects. (The ages for Interact were changed early in 2010 from 14 years of age as the youngest, to 12 years of age.)

**Rotary Youth Exchange**, or RYE is the leading international student exchange program in the world, and our District sends about 30 students out to foreign countries each year, and also hosts about 30 students from around the globe to spend a year of high school in our communities. New Generations Exchange is another cultural exchange program for students beyond high school, for a shorter term exchange experience abroad.

**RYLA**, Rotary Youth Leadership Awards, in our District, is a premium weeklong leadership camp for high school juniors offered in two sessions in June. We coordinate with District 5180 (Sacramento and surrounding areas) in RYLA to increase the diversity of the students participating in the camp. Every club in our District is encouraged to send at least one high school junior from their local community to benefit from the "life changing experience" offered at RYLA.

Youth Service also includes the many projects that individual clubs undertake to serve young people in our communities-such projects as the Dictionary Project, other reading and literacy projects, scholarship programs, and middle school projects, to name just a few.
