

**Rotary**   
Club of Grass Valley South

Members present at board meeting 4/9/2024:

President Shannon

President Elect Laura

Treasurer Susan

Secretary Melissa

Director Charlie

President Shannon called the meeting to order at 5:08 PM.

Admin account balance \$9,553 Accounts receivable is at \$1,695 (which is low)

Fundraising account balance \$13,992 – still have outstanding payables for music, speech and a scholarship. Have birdhouses and teacher appreciation still to do.

Birdhouses have gone up and collectively we searched on Amazon as Home Depot and B & C are not currently carrying them. We decided to go ahead and order some of them at the meeting.

Teacher appreciation- we would like to send them pizza & drinks from Trailblazers as a thank you, end of year staff meeting or get together.

Derby fundraiser – hoping to have 100 people and are excited for the inaugural event. Laura is working on the food. Appetizers will be done by the club and desserts. One drink ticket is included then we will sell the signature cocktail after that.

Rafting team request forwarded by Carol- They provided a cost of \$1,900 they are trying to come up with for uniforms. Attaching the bios and request. After discussion the decision was made not to fund this request as we did not have it in the budget and have passed on other local requests.

We've been asked to participate in an ad for the conference for the program. There are different levels of sponsorship available. After discussion the decision was made not to purchase an ad this year as we didn't budget for it.

Meeting adjourned at 6:30 PM

Next Board meeting will follow the regular club meeting in May 14<sup>th</sup> at 8:00 AM

Respectfully submitted,

Melissa Collins
