4 The WAY TEST

Of things we think, say, or do....

1. IS IT the **TRUTH**?
2. IS IT **FAIR** to all CONCERNED?
3. WILL IT BUILD **GOODWILL** and **BETTER FRIENDSHIPS**?
4. WILL IT BE **BENEFICIAL** to all CONCERNED?

The OBJECT of ROTARY

is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying by each Rotarian of his occupation as an opportunity to serve society.

THIRD: The application of the ideal of service by every Rotarian to his personal, business and community life;

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional men united in the ideal of service.

INVOCATION

Lord, as we start today's meeting, we pray for guidance and blessing in all that we think, say and do.

Grant that we may continue to be inspired to serve you and our community in need.

Finally, we pray for our country, our leaders and our people that we may be able to overcome all difficulties and sufferings and bring peace and prosperity to our nation.

AMEN

NATIONAL ROTARY DAY

It is always a rare moment when we have the President of Rotary International visit the country. On 22 Aug 2014, RIPres Gary Huang is guest of honor at the **National Rotary Day** dubbed "Cele-brate With Your RCC Family Of Rotary" to be held at Tuloy Sa Don Bosco Foundation, Alabang, Muntinlupa from 7:30a.m. to 2pm. Registration is PhP1,000.00 inclusive of lunch and snacks. The District is subsidizing P500.00 so you pay only P500.00 per RCC delegate. Later in the evening 7pm, Pres Huang will join Phil Rotarians in a dinner at Sofitel Hotel, P1700 at site. Perhaps a couple or 2 from us can attend the evening event?

Registration payment of P500 per RCC delegate may be depo-sited to Metro Bank - Paniqui

Acct Name: Dennis Norman T. Go; Acct No. 206-7-20650756-6). Deadline is on August 15, 201

We need only minimum of 5 delegates for both events. Pls be counted and I will take care of transportation to Don Bosco.

Thank you RCM for your cooperation!

COMMUNITY SINGING

COUNTRY ROADS TAKE ME HOME

Almost heaven, West
Virginia,
Blue ridge mountain,
Shenandoah river,
Life is old there, older than
the trees,
Younger than the mountains,
blowing like a breeze
REFRAIN
Country roads, take me home
To the place I belong,
West Virginia,
Mountain mamma,take me
home
Country roads

All my memories, gather
round her
Miner's lady, stranger to blue
water
Dark and dusty, painted on
the sky
Misty taste of moonshine,
teardrop in my a good job in
the city,
Workin' for The Man ev'ry
night and day,
REPEAT REFRAIN

I hear her voice in the
morning hour she calls me
Radio reminds me of my
home far away
Driving down the road I get a
feeling
That I should have been
home yesterday, yesterday
REPEAT REFRAIN

MEDICAL SURGICAL UPDATE

HAROLD KYLE, Osteosarcma

By PP May and
PP Tony Shilton

Tomorrow August 4th is his birthday-- he is 17 years old. Last year this time he is just like any other kid in the block. full of energy, a rosy life looking forward to the realization of his dream to become his school's athlete in basketball which could be his ticket to a scholarship for college education. His name is

Harold Kyle Agustin, his school's favorite basketball player. His family shared his dreams and looks forward to a brighter future for Harold in the field of sports..

Suddenly all had changed. He started to experience pains which he and his family thought are just ordinary muscles and joint pains brought about by his active involvement in sports. When the pains failed to be driven away by pain medications, he was taken to the hospital for medical checkup. He was later diagnosed with **Osteosarcoma**.

Osteosarcoma is the most common type of bone cancer, and the sixth most common type of cancer in children. Although other types of cancer can eventually spread to parts of the skeleton, osteosarcoma is one of the few that actually begin in bones and sometimes spread (or metastasize) elsewhere, usually to the lungs or other bones. Because osteosarcoma usually develops from osteoblasts (the cells that make growing bone), it most commonly affects teens who are experiencing a growth spurt. Boys are more likely to have osteosarcoma than girls, and most cases of osteosarcoma involve the knee. With Harold's case it involved the right leg . His right leg was amputated last May 13,2014.

The club is working to fit Harold with **prosthetics thru KDF**, one problem solved for the family. Harold had undergone chemotherapy and is now preparing for his radiation therapy. He quit school for the time being and hopefully next year he could resume his studies.

TREE PLANTING

UP there @ RELLIE'S FARM

FEEDING

We started the month right with a one-day-full of activities: tree planting, medical mission and feeding to 50 Aeta families, and too much meals after each activity in one rare fireside meeting hosted by Pres. Rellie and spouse Nimfa. The site was Rellie's farm in Calumpang heights which he developed using native labor. Rellie's dream is to uplift the condition of the Aeta thru literacy and basic education.

LAST WEEK'S MEETING

PP Tony's Rotacircle 1 performed great on its first meeting in August. To have a clean table during the meeting, ala carte meal was done for the first time where members had their meals inside the main dining room. The guest speaker was PDG John Rowe of D9500 Australia who talked about Global Grant - its many intricacies and essentials.

Members' Magic Moments was introduced by Rotacircle 1 and many gamely participated including PDG John, above. He later on received a token certificate from Pres. Rellie. In the raffle, guest Peter Bauer, below, won the 1st cash prize that he later on donated back to the club. The meeting started exactly at 7 and ended 8:30pm.

SKILL TRAINING CENTER

The 16th batch of sewing class at the Skill Training Center did not hold its graduation because employer L&T Int'l Clark requested the immediate dispatch of the trainees to their factory for the mandatory training prior to employment.

Trainer Jose Anacleto is shown in the picture when she accompanied the trainees to L&T for their trade test.

The 17th batch of sewing class with 26 trainees and 5th batch of electronics class started their classes on 11 August 2014 at the Skill Training Center.
