Rotary  
Club of Town Center

*This is the first meeting for February, 2018 a year in which we can make a difference in the world. This month we are evaluating The Tailgate Sports Pub as a potential venue for our meetings. Last month, we did the same at Gordon Biersch Brewery Restaurant. At the end of this month, we should have a fair idea for where we will call home for the rest of 2018.*

***In both cases, we continue to live in the Spirit of Rotary theme for this year: “Rotary, Making a Difference.”***

*At the Club level, we continue to attend to our focus on Mental Health Issues through providing awareness and education for a safer environment. We will demonstrate some of the ways to make a difference in the level of good mental health in our community while on a path to achieve this goal. In this way we will create a measurable result. Please pass on ideas to LouAnn to identify topics for our speakers for the upcoming months.*

*Your continued involvement and support allow us to provide services to those we have committed to assist as we continue to look at the effects of mental health issues on our community, the nation and the world. In applying the knowledge we gain, we will work to build public awareness of these issues and initiate programs that support mental wellness locally, nationally and world wide.*

*Please continue to support our **Rotaract Club** on 2nd and 4th Mondays of the month at 7:00 pm at the New River Taphouse, 1716 Pleasure House Rd #101, Va. Beach. Chris and John will continue to attend our meetings as fellow Rotarians.*

*I invite you to join us weekly and participate in all of the events of the club, that we may continue to be successful in meeting our mission throughout 2018.*
