Meeting at 12:30 pm

Gordon Biersch Brewery & Restaurant
4561 Virginia Beach Boulevard
Virginia Beach, VA 23462

**ROTARY:
MAKING A
DIFFERENCE**

**Rotary's programs are developing the next generation of leaders
providing funding to make the world a better place
and making peace a priority**

Today's Speaker

Tom Deppe
"Classification Talk"

- How Rotary Makes Help Happen - - One Person at a Time - All Groups Growing Together -

Nearly 800 million people live on less than \$1.90 a day

Rotary members are passionate about providing sustainable solutions to poverty

**We create opportunities to help individuals and communities thrive financially
and socially**

- Making micro-loans available for entrepreneurs to become street vendors, rickshaw drivers, weavers, and tailors

Our impact on local economies

Rotary members train people to become resources for their community by offering:

- Networking activities
- Advice / guidance on new business development
- Mathematics and financial management training

Rotarians make amazing things happen, like:

Breaking the cycle of poverty for women:

- Most of the women living in rural Guatemala do not have the collateral to get loans from regulated financial institutions
- The Rotary Club of Guatemala de la Ermita helped 400 local women complete financial literacy courses so they could pool their money and fund their own microlending program

Skills development, business training:

- Esmeraldas, Ecuador - Rotary members have helped grant more than 250 microloans and train more than 270 community members in sewing, baking, plumbing, microcredit, business management, and leadership

Some of the statistics we face:

- **795 million people:**
1 in 9 people in the world - do not have enough to eat
- **60% of the world's hungry people**
- are women and girls
- **70% of the world's poorest people**
-live in rural areas and depend on agriculture and related activities for their livelihood
- **\$9.2 million:**
The amount The Rotary Foundation spent to grow local economies and reduce poverty last year

There is more to do!

- We must break the cycle of poverty
- We must develop ways for food to be plentiful and self-sustaining
- Growing food, growing local economies and growing education will go a long way
- Networking the groups within these economies is one big part of the solution

This is our first meeting for March, 2018 - a year in which we yearn make a difference in the world. As of this meeting we now have a regular meeting location at Gordon Biersch Brewery & Restaurant. We now have a regular home in which to meet for the rest of this year.

We continue to live in the Spirit of Rotary theme for this year: "Rotary, Making a Difference."

*At our expressed level of purpose, we continue to attend to our work with Community Mental Health Issues by providing awareness and education to be reflected as a change in our interpersonal and social environments. We will demonstrate some of the ways to make a difference in the level of good mental health in our community while on a path to achieve this goal. In this way we will create a measurable result. **Our speaker this week is Tom Deppe, presenting his Classification Talk.** Please pass on ideas to **LouAnn** to identify topics for future discussions in the upcoming months.*

Your continued involvement and support enables us to provide services to those we have committed to serve as we continue to look at the effects of mental health issues on our community, the nation and the world. By applying the knowledge we gain, we continue to work towards building public awareness of these issues and initiating programs that support mental wellness locally, nationally and world wide.

*Please continue to support our **Rotaract Club** on 2nd & 4th Mondays of the month at 7:00 pm at the New River Taphouse, 1716 Pleasure House Rd #101, Va. Beach. Chris and John will continue to attend our meetings as fellow Rotarians.*

I invite you to join us weekly and participate in these and all of the events of the club, that we may continue to be successful in meeting our mission throughout 2018.

- Pat Edwards, President, Rotary Club of Town Center

- **This Week's Speaker is Tom Deppe, presenting his "Classification Talk"**

Silent Auction Update

Towne Bank, Greenbrier April 14th

- *We are collecting items for both the Silent Auction and Open Auction*
- *Items which might be of value to others are welcome*
- *You may bring auction items to the Rotary Meetings or get in touch with John Blair to have them stored for the event*
- *Items should have a monetary value that makes them attractive
Unusual items, collectables, and items of local historical importance are very welcome for the event*
- *Ticket sales have begun - please buy yours and sell more to your friends and acquaintances*
- *We need more sponsors.
This is a good time to sell sponsorships to local and national businesses
Sponsors will receive a set of complimentary tickets for admission as well as their name prominently displayed at the event and possibly in other places such as on our website*
- *Don't forget to let potential attendees know about the dollar throw for valuable and desirable prizes - this is a very popular event and gives people a real chance to throw their money around for a great cause*
- *Think about your role during the event as well
What can you do to support those attending?
We need everyone from traffic flow, ticket collection and sign-in, guides who are knowledgeable of the layout of the bank (not the vault) and types of offerings in each area (even the food) and the schedule for the evening to guide attendees in their planning to bid on items offered for auction (and prizes offered throughout the evening)*
- *Remember,
THIS IS A FUN EVENT!
Plan on having fun as well as fun-d-raising*
- *Don't know what to do to participate
Ask Pat Ask Joe
Ask Nancy Ask Ken P.
Ask LouAnn Ask John
(This is the Action Committee)*
- *All these people have a vested interest in seeing the Silent Auction succeed and will assist you in making it happen - just Ask!*

4. Will it be **BENEFICIAL** to all concerned?
