2018 -19 Focus: Mental Health

November is Rotary Foundation Month

The Rotary Foundation transforms your gifts
into service projects that change lives both close to home and around the world

At the 1917 convention, outgoing Rotary president Arch Klumph proposed setting up an endowment "for the purpose of doing good in the world."
That one idea, and an initial contribution of $26.50, set in motion a powerful force that has transformed millions of lives around the globe.

Financial structure

The Rotary Foundation is organized as a public charity operated exclusively for charitable purposes and governed by a Board of Trustees. The operations of Rotary International, a member organization, are overseen by its Board of Directors.

The headquarters of Rotary International and The Rotary Foundation are in Evanston, Illinois, USA. We have associate foundations in Australia, Brazil, Canada, Germany, India, Japan, and the United Kingdom.

Investments are critical to the sustainability of Rotary International and The Rotary Foundation

The Office of Investment is responsible for managing Rotary's investments according to policies set by The Rotary Foundation's Trustees and Rotary International's Board of Directors. Through a commitment to stewardship and excellence, we seek to establish a legacy that distinguishes Rotary as a prudent investor, supports Rotary's objectives, and promotes sustainability.

Annual Fund

The Annual Fund is the primary source of funds that support The Rotary Foundation's programs and areas of focus.

Contributions to the Annual Fund are invested for three years to generate earnings to meet the Foundation's operating expenses.

To achieve the objective of the Annual Fund, the portfolio is invested conservatively with an emphasis on liquidity and income over capital appreciation.

Endowment

The objective of the Endowment is to provide a permanent and sustainable source of funding.

Contributions to the Endowment are invested in perpetuity and investment earnings are used to provide a permanent source of income to support Foundation programs.

The long-term nature of the Endowment dictates a bias toward equity investments because of the higher return potential in comparison to fixed income investments.

Bert's Note

This is the second week of November and we are moving forward and creating the world's future - Stay prepared!

As we continue to work, we will continue to remember our friends and colleagues. Let us strengthen our commitment to what Rotary is for the world, demonstrate our core values - how we use and apply them in our daily lives - and see how we are a positive influence within the community around us. In acknowledging the great accomplishments Rotary has achieved, let us continue to carry this progress throughout our second century of service.

Let us all live in the Spirit of Rotary theme for this year: "Rotary, Making a Difference."

At our expressed level of purpose, we continue to attend to our work with Community Mental Health Issues by providing awareness and education to be reflected as a change in our interpersonal and social environments. As we explore some of the ways to make a difference in the level of good mental health in our community, let us demonstrate a path to achieve this goal. In this way we will create a measurable result.

Your continued involvement and support enables us to provide services to those we have committed to serve. Let us continue to look at the effects of mental health issues on our community, the nation and the world. Through application of the knowledge we gain, let us continue to build public awareness of these issues and initiate programs that support mental wellness locally, nationally and world wide.

Please continue to support our Rotaract Club on 2nd & 4th Mondays of the month at 7:00 pm at the Gordon Biersch Brewery & Restaurant, Va. Beach. Jon, Chris and Kayla will continue to attend our meetings as fellow Rotarians.

I invite you to join us weekly, bringing friends to participate in these and all of the events of the club, that we may continue to be successful in meeting our mission throughout 2018.

International Inspiration

A princess, 3 prime ministers, and a former first lady join 25,000 in Toronto to celebrate Rotary's good work and plan more of it.

During the four-day event in Toronto, Ontario, Canada, speakers praised, prodded, and partnered with Rotary.

Her Royal Highness The Princess Royal, Princess Anne, expressed thanks to Rotary for taking a central role in working to eradicate polio.

Former first lady of the United States Laura Bush challenged Rotarians to keep early childhood education a priority.

Helen Clark, former prime minister of New Zealand and one of the architects of the United Nations Sustainable Development Goals, joined RI President Ian H.S. Riseley for a discussion about gender equality and the crucial link between the environment, poverty, hunger, and peace.

In a gracious gesture to his successor, RI President Riseley finished his closing remarks by urging listeners: ***"It is vital that we be the inspiration."***

The 2019 Rotary International Convention will meet in Hamburg, Germany, 1-5 June.
