Guidelines for Speakers

We respond positively to speakers who present a topic of informational, educational, motivational, or entertainment value that will be of general interest to all club members.

Presentations should be non-political and non-sectarian. Elected officials may be allowed to speak when the format is to report to constituents on Congressional or legislative affairs.

Presenters may not solicit a financial or in-kind donation or request purchase of products or services. However, it is okay to talk about your business/organization and its services. Handouts for club members and guests are welcome.

Using the Rotary platform to dispense individual financial advice is prohibited.
