

CENTURION WEEK

The **Centurion Program** was initiated many years ago by the districts in Australia and New Zealand. It's an easy way for all Rotarians to support their charity: *The Rotary Foundation*.

The program asks members to make a yearly contribution of A\$100 or more to the Foundation's Annual Fund. That's about \$2 per week.

This year, the A/NZ districts are launching **Centurion Week**, during the second week of Foundation Month, from 9th to 15th November. With Rotary about to celebrate 100 years in Australia and New Zealand, how about becoming a **Centenary Centurion!**

Why?

The Foundation helps you as a Rotarian to deliver much greater impact, whether in your own community or around the world.

Have a look at [p.13 of this month's Rotary Down Under](#). It gives an example of how a Rotarian with a great idea can access Foundation funding to deliver a community project that would otherwise have been well out of reach.

[And on p.12](#), you'll see that for every \$100 contributed in Australia and New Zealand, A/NZ Rotarians have *received grants of \$183* to support their projects!

Think of the Foundation as your **Impact Multiplier**.

How do you become a Centurion?

- many of our clubs simply add a \$100 option to their annual dues invoice and then forward this, on your behalf, to the Foundation,
- others add \$2 to the weekly attendance fee,
- but mostly, members just go to [My Rotary](#) and set up a regular payment, whether monthly, quarterly or yearly, to the Annual Fund.

The Rotary Foundation is **our charity**. Let's all support it and **multiply our impact in the world**.
