

## HOMELAND STORY.

This is a remarkable story of cross-cultural cooperation in the development of Donydji, an Indigenous Homeland in Arnhem Land. They have been supported by the Rotary Club of Melbourne and Vietnam Veterans working with the young men of Donydji.

The film charts the Donydji community's transition from nomadic life to the digital age, from the 1960s to the present day, and the work of genetic anthropologist Dr Neville White.

EndTrachoma by 2020 has been given the exclusive opportunity to hold screenings around Australia to not only benefit our EndTrachoma project, but also to help the Donydji community and enlighten as many people as possible about our Indigenous Australians. The cost is \$10, shared equally between ET2020 and Donydji.

We encourage you to watch this movie. For more information about EndTrachoma by 2020, contact District Chairman PDG Ian Dyball on 0427 931 333 or [idyball@ozemail.com.au](mailto:idyball@ozemail.com.au) or visit [www.endtrachoma2020.org.au](http://www.endtrachoma2020.org.au)
