What is Rotary?

Rotary is a worldwide service organization of business and professional leaders with one main objective: **Service Above Self**. The first Rotary club was started in 1905 by a small group of businessmen in Chicago. Since then, Rotary has expanded into 32,000 clubs with 1.2 million members in 168 countries.

Service Above Self is the thread that binds the many remarkable projects undertaken by Rotary clubs locally and internationally. Through grants, community service projects, scholarships, and international group study exchanges, Rotary clubs tackle many of today's critical issues, including:

- At-risk youth
- Poverty
- Illiteracy
- Ground water contamination

**We are a growing fellowship of diverse men and women,
dedicated to making a positive difference while
serving our youth, community and the world.**

Community Service

The West St. Paul-Mendota Heights Rotary Club is actively involved in numerous local community service projects each year. These efforts include:

- Feed My Starving Children
- Loaves & Fishes
- Ronald McDonald House "Cooks for Kids"
- National Night Out
- Neighbors, Inc. "Adopt a Family"
- Adopt a Highway (Delaware Avenue)
- West St. Paul Days City Hall Open House

International Service

The West St. Paul-Mendota Heights Rotary Club plays an active role in improving the understanding of living conditions around the world. Among our most significant international efforts have been worldwide polio eradication, assisting with cataract eye surgeries in India, delivering text books to schools and libraries in Africa and building clean water wells in South America.

Special Events

Our most significant special event of the year is the Moonstruck Golf Tournament. Held in early fall at Southview Country Club in West St. Paul, this tournament is played entirely at night with glow-in-the-dark golf balls. In addition to a 9-hole round of golf, the event includes dinner, a silent auction, entertainment and prizes. The proceeds from the tournament help fund our projects and charitable donations throughout the year.

Benefits of Being a Rotarian

- Developing friendships with other Rotarians
- Promoting international goodwill and understanding
- Building higher ethical standards within your organization
- Giving service to the community
