Ely shared that she participated last Tuesday at Helix High, interviewing and selecting students vying for a position to be able to attend RYLA (Rotary Youth Leadership Awards). RYLA is Rotary's leadership training and personal development program for young people. Youth leaders from across the country are sponsored by a participating Rotary club to attend a RYLA camp as an "award" for their demonstrated leadership and service to their community. April 20-22.

Those who are selected to attend RYLA will learn valuable leadership and career skills, build self-confidence, discuss current ethical and social issues and meet active community leaders – all while having a ton of fun! Volunteers for counselors are still needed- ask Betty if you are interested.

Aaron, Betty, Fern & Dave attended the La Mesa Chamber of Commerce "Salute to Local Heroes". It was a well-attended dinner at the Town and Country Convention Center, where they honored 2 EMT, 2 members of the Heartland Fire and Rescue and an Officer from the La Mesa Police Department for outstanding services.

Our guest today was Elisa Williams, Counselor and outreach coordinator for Harriet Tubman Charter School. We will do our "Rotarian's at work" project this year on April 28th at the school. As part of our project will rehab the planters and decorate the K-5 bathrooms with inspirational messages and art. The 8th graders will be involved in helping us with this project.

Our club assembly today was focused on our new “Committees”. We broke up into groups according to our Committees so we could brainstorm and update members. We will share these with club members in the near future.

Meeting was adjourned at 8:30.
