K9LRNG – DOG TRAINER**

Laura Christiansen is the founder of Canine Learning Centers, www.k9lrng.com, and recognized as the #1 dog trainer in the US in 2016. She is also **Bob Kreisberg's** neighbor. She was accompanied at our club meeting by her Belgian Tervuren, Grace.

Christiansen has been a dog trainer and behaviorist for over 30 years, starting off in Michigan, and founding Canine Learning Centers in the San Diego area in 1992.

She uses tools of knowledge, love and respect to train dogs and humans about their relationship at her Carlsbad facility. "Who is your dog?"

Christiansen talked about the 340 different breeds of dogs, and 10 different groups, including herding, pincer and schnauzer, terriers, dachshund, spitz and primitive, scent hounds, hunters and setters, retriever and flushers, toys, and sight hounds. Dogs have 72,000 distinct body language behaviors. The more we understand, the better we can communicate.

Laura has also started Caring Paws Therapy Dog program to train dogs to visit hospitals, nursing homes, schools, and private homes.
