- Sep 16: Rotary District Peace Leadership Seminar
- Sep 23: 2017 District Foundation Seminar,
- Oct 7: CHNR 35th Annual Oktoberfest, Holiday Park – All members participate

MEETING OF AUGUST 7, 2017

President David Harrison opened the meeting with another rousing banjo rendition of "The Caissons Go Rolling Along", followed by the pledge led by **Eric Lodge**, and **Steve Mott** led the singing of *America the Beautiful*. Guests were introduced. Then, more singing as **Jim Brubaker** reminded members of his presidential theme song: *When the Saints Go Marching In*, with Rotarian influences in the second verse. **Jos Magana** provided the "Words" for the day, and **President David** asked for Prayers of Healing for the entire **Ealy family**, especially Mark's daughter Madison.

President David also discussed the 2017-2018 values of the club and Rotary and played a video of a polio victim as she presented to the RI convention—paralyzed by polio below the waist as a child, she finished the Ironman World Championship in July 2013, covering 140.6 miles (swimming, cycling and "running" –with her arms). After having a child of her own (and immediately vaccinated her for polio), she indicated she valued one great strength: partnerships. **President David** also thanked **Robyn Hill** for her help organizing the club's polio efforts. He then also presented the Carlsbad Hi-Noon Rotary video—reestablishing the values the club espouses.

Budget: The 2017-2018 CHNR budget provides \$20,000 for community service; \$17,200 for international service; and \$35,300 for vocational service . . . dependent, of course, on fundraising.

International Service: Harry Peacock made a presentation of the club's work in the recent past and showcased: the 17th building of a house in Tijuana, Mexico; a partnership with Ft. Collins CO for a Guatemala water project; a water project in Belize where EVERY elementary school in the country was provided potable

water; a partnership with the evening club to provide safe water for the Ivory Coast; a goat project in India; and, along with Pt. Loma Rotary, a water project in Fiji. Additionally, this club was honored, along with an Ohio District and District 6600 in Singapore, to start a clean water project in Hue, Vietnam—quite a feat, since there are NO Rotary clubs in Vietnam. This club also assists with Smiles International to provide facial surgeries to children in Ensenada and Tecate, and this year it will also equip nine of the Tijuana houses with potable water supplies . . . all in all, International Service is doing great thing.!

District: John Goodrich, District Gov. **Scott Carr's** Chief of Staff, also pitched the District Foundation Seminar on September 23, to be held at the Poway Center for the Arts, with speakers, video and interactivity . . . *Bring a Friend* . . . 8am to noon. "It's a chance to see the effect you have with Rotary."

Brewfest: Set for September 9, the ticket sale goal is 1,000 tickets sold; please help with this major fundraising project.

Spirit of Service: Wendy Wiegand described the SOS Award as honoring a club member who exemplifies the motto "Service Above Self." She asked those nominated to be recognized for their good work: **Jim Brubaker, Mimi Gaffey, Pat Hurley and Yvonne Finocchiaro**. **Yvonne Finocchiaro** was award this quarter's Spirit of Service award, for her "willingness to step in and help in whatever capacity is needed." (Left: *President Harrison, Yvonne Finocchiaro and Wendy Wiegand*.)

Youth Protection: Eric Lodge encouraged all members to complete the Youth Protection linkage (sent to each member previously), take the instruction and the exam by September 30. If you have been

certified earlier, that certification will expire on September 30. Because the club's activities lead to many interactions with young people having all members certified is very important.

DISTRICT GOVERNOR SCOTT CARR

Introduced by **Past President Dawn Van Siclen, Scott Carr** was identified as "Mr. IT extraordinaire." He is the 2011-2012 Past President of the Downtown Breakfast Rotary. (Left: John Goodrich, Scott Carr, Dawn Van Siclen and David Lan.)

Carr described the size of the Rotary District and identified it as a "beacon of help." He proposed that clubs bring in more women, that each consider additional support of the military, and that a greater emphasis will be placed on youth—particularly, human trafficking (a \$30 BILLION-a-year business), with the average lifespan of the children at SEVEN years. "Get

youth certified . . . it's important to our work."

DG Carr also discussed a focus on increased Rotary membership, indicating that the District identified the "best of the best" clubs regarding membership growth "and **Carlsbad Hi-Noon Rotary is at the top of the list!!!**"

"If you're looking for meaning, for reasons to participate bigger than yourselves . . . Rotary is the place for you." He spent time focusing on the WHY one joins Rotary, with reasons changing by the member, but all members are looking for meaning. "Share WHY you joined with others; invite them to join too."

Jackpot for August 14: \$160
