Rotary is an organization that focuses on improving the quality of life in the communities we serve through a variety of community service projects. Our fundraising events provide the financial resource to accomplish our service projects. As Rotary International President ('22-'23) Jennifer Jones has said, Rotary offers *"hands-on service, personal growth, leadership development, and lifelong friends that creates purpose and passion."* Our motto is *"Service Above Self"*. Rotary is not a business development organization. However, through the course of serving, members develop personal and professional relationships with other Club members. In joining Rotary, do you agree to our purpose of service?
