*Dr. Bob Callicott celebrated his 90th birthday on October 16th. We had an opportunity to mark this important milestone at our club meeting. Angela Kahn led us in a spirited chorus of Happy Birthday and Katherine Willey (R) presented Dr. Bob with a giant box of See's candies. Bob has been a Rotarian since 1956 and has been married to Joy for 67 years!*

## Jack Cottrell Proposed for Membership

*Jack Cottrell (L) has been proposed for membership in Old Mission Rotary. Larry Edwards (R) is our club Sergeant at Arms.*

## Angela Kahn Lights Up Rotary in October!

*Angela Kahn (L) was presented with a **Light Up Rotary** lapel pin for all of her work for the club in October. Angela attended the Pathways to Peace Seminar and served as a facilitator for LEAD at Camp Cuyumaca. Katherine Willey (R) was Angela's sponsor.*

*Drama is life with the dull bits  
cut out.*

*-Alfred Hitchcock, film-maker  
(1899-1980)*

## Host Dr. Kevin Glynn

*Dr. Kevin Glynn served as club host on October 28 and presented a **Who Am I**. Kevin was the Chief of Staff at Mercy Hospital when he participated in a surgical team trip to Urapan Mexico in 1999. There he witnessed Rotary in action and was inspired to join. Then District Governor Bill McDade invited Kevin to form a brand new Hillcrest club but fortunately for us, Kevin shrank from this daunting challenge and joined Old Mission Rotary in 2001.*

*Nancy Drew (L) was a guest of Mark McAnelly and is considering membership in Rotary. Lydia Stewart (R) is our Pathways to Peace Chair and a Member of the Board of Thousand Smiles.*

## Money Can't Buy Me Love... or can it?

On October 28th, our very own Katherine Willey presented a fun and informative look at money! Katherine had a career in banking and is now teaching finance at USD and National University.

Katherine posed the age old question: "Does money bring happiness?" The traditional answer is no but Katherine listed a variety of reasons why money does bring joy to life. These reasons include:

- One of the most satisfying ways to spend money is to spend it on others or give it away. Certainly Rotarians get great joy in helping others.
- Money gives peace of mind. form the stress of daily life.
- Experiences buy more lasting happiness. Travel and outdoor activities are examples.
- Money buys time. Wealthy people live an average of ten years longer. Leisure time allows the wealthy to pursue hobbies and interests.

Katherine also presented a quiz to the club. She distributed a list of

professions and asked each table to rank the jobs by income. The top salary on the list was the head coach of the San Diego Chargers and at the bottom was short order cook. Many of us were surprised to learn that the conductor of the San Diego Symphony earns over \$400,000 per year. Other average salaries seemed low such as a surgeon at \$175,000 per year. Special thanks to Katherine who once again proved that some of our best club programs come from our membership!

(L-R) Jack Cottrell, Hugh Kramer and Bob James ponder the relative rankings of salaries of various professions.

Eric Benink updated the club on our Fantasy Football competition that is raising money for the RI Foundation. A status board lists the latest standings.
