Thousand Smiles Winter Clinic

A little boy waits for follow on care for cleft palate surgery performed at a previous clinic.

The winter Thousand Smiles Clinic took place at the Ensenada Clinic over the weekend of February 4th-5th.

A highlight was the dedication of a new operating room to Old Mission Rotarian Hugh Kramer! Hugh was devoted to Thousand Smiles and was always quick to tear up when talking about the children the clinic helped.

During this clinic, the team performed nine surgeries and saw 68 child dental patients.

Operating Room 2 at the Thousand Smiles Clinic was dedicated to Old Mission Rotarian Hugh Kramer!

Corona Conversation The Turning Point?

The Corona Conversation with Don Krupp is a weekly feature now included in our Old Mission Rotary Meetings.

The statewide mask mandate is due to end on February 15th. This means most indoor settings, except so-called "Mega Events" are able to operate normally. Notably, masks remain required for unvaccinated individuals in indoor settings such as restaurants and meeting rooms. Masks are still recommended for vaccinated individuals in higher risk settings. **Old Mission Rotary is planning to return to in person meetings on March 1st.**

Stock Market Report

Brian Dempsey is a past president of Old Mission Rotary and delivers an almost weekly "Stock Market Report" at our meetings. Brian helps us make sense of the markets and advises all to "Keep Calm!"
