August 2020- Edition Two

## Corona Conversation

The Corona Conversation is a new weekly feature now included in our Old Mission Rotary ZOOM Meetings. Don Krupp presented his second report on the Corona Virus Pandemic and explained how rapidly Covid-19 can spread as compared to the common flu virus. Covid-19 can be as much as 36 times more infectious.

## Community Service with STAR/PAL

Special thanks to our Old Mission Rotary Community Service Chair, Charlotte Cofield, for partnering with STAR/PAL on a service project to distribute back packs filled with school supplies and gift certificates to inner city youth on Friday, August 28th. The Old Mission Rotary Foundation donated \$1000 to the project.

## Come Fly Away

Our ZOOM Club program on August 25th was presented by Michelle Brega, Senior Director, External Relations, San Diego Regional Airport Authority. When Terminal 1 at the San Diego International Airport first opened in 1967, it served 2.5 million passengers in its first year. Today, the same facility serves more than 12 million. For roughly half of our visitors, Terminal 1 provides their first impression of San Diego. Admittedly, it's not a very good one.

The Airport Development Plan (ADP) envisions the replacement of Terminal 1 with a more modern facility and other improvements that enhance the airport experience for everyone.

Construction will start on the new terminal project in 2021 and it is scheduled to open in 2024.

*Michelle Brega is the Senior Director, External Relations for the San Diego Regional Airport Authority.*
