## Remembering September 11th 2001

*Steve Nuñez (L) and fellow Attorney Ben Bunn discussed their personal experiences assisting survivors of victims of the 9/11 attacks.*

On Saturday, September 11, 2021, twenty years will have passed since the terrorist attacks of 9/11. At our club meeting on Tuesday, September 7th we took time to reflect on that terrible day and to remember the victims and honor the first responders who gave everything to save the lives of others.

The September 11th Victim Compensation Fund was created by an Act of Congress to compensate the victims of the attack. Kenneth Feinberg was appointed by Attorney General John Ashcroft to be special master of the fund. He developed the regulations governing the disbursement of \$7.375 billion. Club member Steve Nuñez and colleague Benjamin Bunn shared their compelling stories assisting surviving families who they represented following the tragedy. The experience was so emotional that Steve has been unable to tell this story publicly until now.

## Welcome to Old Mission Rotary
