LEAD

Lydia Stewart is responsible for bringing several impressive youth programs into Old Mission Rotary since she transferred from the Mission Valley Rotary Club years ago. Lydia coordinates the LEAD Program for 8th grade students and also the Model United Nations program for High School Juniors.

LEAD (Leadership, Ethics, Aspirations & Determination) is a 2-day weekend leadership camp for 8th grade students where delegates discuss issues of ethical responsibility, improve leadership and communication skills, develop a positive outlook on service and life, and have fun with new friends. Delegates from middle schools around our District will attend. There is no cost to the student, the family, or the school. All expenses are paid by the sponsoring Rotary club and once again, we are sponsoring four students from Farb Middle School in Tierrasanta.

The event is scheduled for October 15 and 16, 2022 at the Cuyumaca Outdoor School, a San Diego County Office of Education campus.

If you would like to volunteer as a LEAD Advisor, there is no charge. If you would like to participate then go to the LEAD website, www.rotary5340lead.org.

Blind faith in your leaders, or in anything, will get you killed.
