December 2020- Edition One

JustServe.org

Robin Gephart is the coordinator for the JustServe.org website in the San Diego region.

Our program on December 1st was all about JustServe.org. This program was launched in 2012 and operates a website where volunteers can connect with projects in the community.

Robin Gephart, San Diego's Just-Serve Representative, introduced us to the work they do connecting volunteers with opportunities to share their skills and promote new projects.

The San Diego region currently has over 100 participating organizations and 3500 registered volunteers.

JustServe.org is a non-denominational community project created by the Church of Jesus Christ of Latter Day Saints that serves the entire United States, Canada, and other nations.
