The Taxman Cometh

Dan McAllistar explains why the tax collectors are always in so much trouble in the Bible!

It is hard to believe that the program by County Tax Collector Dan McAllistar can be so much fun! Dan does a fabulous job of informing and entertaining us at the same time. He has the style of a stand up comedian and peppers us with jokes and funny stories as he delivers his message about the tax collection effort in San Diego County. One positive economic indicator is that 98.6% of the property tax bills issued in 2012 were paid. We learned that 981,000 tax bills were mailed for a total of \$3,821,244,316 in revenues. 43% of the property tax collected goes to fund schools. Dan was proud to point out that his office does business in 16 different languages!
