Copley YMCA Luncheon

Our December 9th meeting took place at the Copley YMCA. As is our annual tradition, each member delivered a toy for their member Holiday Party. Rotarians enjoyed a Marie Calendars box lunch and then went to work in a gift wrapping blitz! It is bittersweet that this will be the last time we will visit the Copley YMCA as the amazing new Copley-Price YMCA will replace the aging facility. It has been an amazing run for the Copley YMCA!

Bob Chalfa beams with pride as he wraps a toy!

Immediate Past President, Steve Nuñez cheerfully wraps presents that will go to neighborhood children in City Heights. The presents from the Copley YMCA will probably be the only holiday gifts that they receive.

After lunch and wrapping presents at the Copley YMCA, Old Mission Rotarians travelled the short distance to the impressive new Copley-Price YMCA for a tour. Workers and staff were hustling to finish the building and grounds as we toured the facility.

Francis Parker Interact

Interact Francis Parker Senior Sarah Ogle offers student artwork to a senior resident of the Potiker Family Senior Residence.

On the afternoon of Friday, December 5th, Interact Advisor Victoria Helms and four members of the Francis Parker Interact Club traveled to the Potiker Center in downtown SD. The Potiker Family Senior Residence provides low income 55+ seniors with an independent living community. The students took 40 pieces of art that had been created and mounted by Interact members. They put the art out on tables in the community room. The residents came in and select several pieces. Some of the residents had us help them to hang the art in their rooms. It was a very satisfying experience for all. The Francis Parker Interact Club is sponsored by Old Mission Rotary.
