

Spend a Whole Year Abroad

North Star Youth Exchange offers international study abroad opportunities for students who meet our requirements. You can choose to participate in the program either during your high school years or in a gap year following high school.

Program Objectives

- To further international understanding and goodwill.
- Learn and adapt to another culture, while sharing your own.

Qualifications of Applicants

- At least 15 years of age and not over 19 years at the time of departure. (Most receiving countries require that students are no older than 18 years 6 months.) See Countries page for the list of countries.
- Student must be a freshman, sophomore, junior, or senior in high school at time of application.
- Student must demonstrate scholastic competence and be involved in extra-curricular activities.

Program Requirements

The selected student will:

- Attend high school in their host country. (Grade placement cannot be guaranteed)
- Act as a student ambassador, sharing customs and adapting to the host country's culture.
- Demonstrate a willingness to be flexible throughout the exchange process.
- Follow the rules, regulations and counseling of the sponsoring and host Rotary clubs and Rotary districts. Rules will be discussed at orientation sessions prior to departure.

Parents of the selected student will:

- Pay the participation fee (which includes airfare, orientation materials, basic insurance, blazer, etc.).
- Pay costs of passport, visa or residency permit, inoculations, gifts, local travel, personal items.
- Abide by the rules and decisions as set forth by the Rotary International Youth Exchange

Rotary Club in host country will:

- Correspond with student prior to arrival, giving pertinent data of the host city and family.
- Meet and transport the student from point of arrival to host family.
- Furnish one year's education in a high school.
- Be responsible for the physical well-being of the student.
- Supervise the student's activities, opportunities and experiences.

Application Deadline for exchange year 2024-25 is **November 15, 2023**
