100 Years of Doing Good In the World

The Rotary Club of Northfield invites you to join us in supporting an array of special causes by participating as a “Triple-T Sponsor” for our *three* annual events: the **T**aste of Summer Fest in July, the **T**our in September, and the **T**urkey Trot in November. One ask for Three events. The **T**aste, **T**our, and **T**rot support many local and global communities. We have set up lofty goals and can use your help! By signing up for the Triple-T now, you won’t receive any other fundraising appeals from the Club this year.

Choose from one of the three levels of sponsorship. We only accept checks as noted in the brochure. We need to have your response no later than April 7. A member of the club will be in touch with you to follow up on your decision and provide information about logo downloads for the publicity you will receive as a sponsor.

Depending on your choice of level for sponsorship, your company will receive advertising through print, social media, name on flags, posters and on merch available for sale at all three events. Over 2100 volunteers and participants enjoy these three events through the calendar year.

THANK YOU IN ADVANCE FOR YOUR SUPPORT.
