### Friday – For \$5 Take a Whack at Walter

Bring your weapon of choice – thanks, Phil Houchin, for that great idea – and \$5 for the Rotary Foundation to take a whack out of Walter's beard. Five dollars a whack.

Thanks to the generosity of Metro members, we raised over \$1000 for the Rotary Foundation. As promised, Walter's beard is scheduled to become history on Friday morning . . . and you can help out. Walter will be ready before 7 AM to lose his beard.

### But That's Not All – Give Walter a Mohawk

If we raise \$5000 for the Rotary Foundation by August 16, Walter will get a Mohawk – thanks to Joey Cooper for that great idea. The necklace is a nice touch. (Hmm, what could we auction that for?)

Give your checks or cash to David McAlexander, Metro's Foundation Chair, or go to the Rotary International contribution site (<http://www.rotary.org/en/Contribute/Pages/ridefault.aspx>). Once you have contributed, tell David the amount so he can add it to the total.

### But There's More – Choose Walter's Color

If we get to \$5000 we'll hold an online silent auction, with bids starting at \$500, to choose the color or colors of Walter's Mohawk. The auction winner can choose from red, blue, green, pink and perhaps other colors. One color or a combination. Red and Black for Tech? Permanent colors; not the kind that wash out. . . . Contrary to rumors, there will be no body piercing.
